Monthly Reading Tips for Families Volume 2

Digital Books are Real! Real, tangible books will always be treasured by young children and their families. Everyone loves to cuddle with a good story and there is nothing like the feel, look and smell of books. Did you know that children can read or purchase their favorite books myON® online as well as check out books at their local library? Even though digital books are myON® online there are many activities that can be done with them for the whole family. Digital books are simply another way in which kids books can be shared and read to children.

Check out the books at your local library <http://www.hcplc.org/>
Books from the myON® online collection can also be purchased through Capstone Press <http://www.capstonepub.com> or at your local book store.

{Read, Read, Read...}

Today’s children are lucky to have so many different ways to read: printed books, e-books, audio books, and digitals books. The important thing is that books are part of children’s lives in many ways. Studies have shown that reading is a key to success and well being. myON® reader is a digital library where children have access to a growing collection of over **2,300** titles. Remember to check out your local library and school media center for printed books. Enjoy both print and digital books!

Ways to enjoy all types of books

Make reading fun! There are different activities that you can do with books (digital or print). Have reading be for the whole family, make time to do activities that include everyone. Try a sing along – “I Know an Old Lady” and have everyone join in and you can even have props to go with the book. Check out the Capstone book “Animal Babies ABC” one of many alphabet books. You can also find a book that your child would like you to read at bedtime.
