Monthly Reading Tips for Families

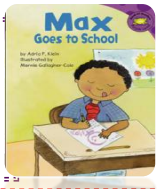
Volume 5

Getting Ready to Start School!

Getting your preschooler ready for Kindergarten is an essential step towards ensuring that your child is successful in kindergarten and beyond. Here are some great tips for families to help their young ones (as early as 2 years old) to begin the exciting path to formal school learning.

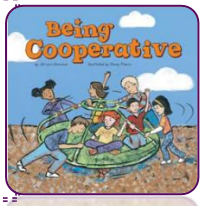
It's never too early for families to help their young children prepare to begin the exciting path to formal school learning. Here are some great books that you can use with your child to promote behaviors and attitude that will increase their early school success.

Ability to follow simple rules:
Max Goes to School

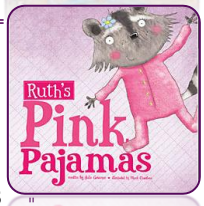


Ability to follow structured daily routines:
Times of the Day

Ability to get along and cooperate with other children:
Being Cooperative



Ability to listen and pay attention to what someone else is saying:
Ruth's Pink Pajamas



Other great books !

Search for these titles using the "Text Search" option

- *A Visit to The Library*
- *C is for Cake*
- *Circles*
- *Pony Brushes His Teeth*
- *Loose Tooth*

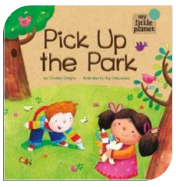
Add these titles to "My List" so you don't have to search for them again!

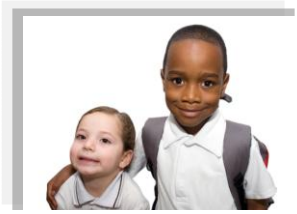
Picture Game!

Read or listen to the book, "Pick Up the Park" with your child. Then play this fun picture game together!

Use the flash cards on the next page for this game. Present three pictures and ask your child to pick the correct picture that begins with the letter that you say. Continue playing with a new set of cards until you have reviewed all letter sounds.

Have fun!





What you will need to register your child for Kindergarten:

✓Birth Certificate

✓Social Security Card (if available)

✓ Florida Physical HRS form and immunization records

✓ Verification of address (2 forms)
